[2010-07-14 CSM-SUST Reconciliation Task 6 - Shear Stress - RFlood.pdf](#)

Folks, as discussed on Tuesday, I am forwarding you the memos prepared by Roger Flood for your consideration as you prepare comments/thoughts on OSI's responses to bathymetry error questions for our discussion on Friday.

These are companions to the memo on Tasks 3-5 forwarded to you by HydroQual yesterday.

Please let me know if you have any questions in the meantime.

Bruce Fidler, PE, BCEE
